

McFarlin Family Missions Prayer List

Serving in Maai Mahiu, Kenya

ELISHA, KENDALL, & MADELINE

SPIRITUALLY , that...

- we and each person that we meet may come to know God better through the ministry
- we have a strong community of believers gathering around us to pray for our family as we move and serve in Kenya
- Madeline will come to know the heart of Jesus more as we serve and learn

EMOTIONALLY , that...

- the move to Kenya would be a smooth transition for us, especially little Madeline!
- together as a family we will have the grace to weather the joys and sorrows of serving
- we will be open hearted and minded as we encounter and experience a new culture and way of life

FINANCIALLY , that...

- our daily needs, as well as funds for training and a vehicle, would be provided for by passionate partners
- we will be able to continue to save and invest money

PHYSICALLY , that...

- our family will stay physically healthy and able to serve to our greatest capacity
- we find ways to continue to be active (even though it's really hot, haha!)
